07.		-	#142. This happened in like November. I'm in the 8th grade and I was inspired by F1nn to buy a maid dress. I did and then I proceeded to go to school wearing it cause it's funny haha. What I didn't expect to happen was for people to start clapping for me during lunch when I went to dump my trash. In like a few seconds the entire cafeteria started clapping so when I got to the end of all the rows I did a lil curtsy and the crowd exploded into applause! Shit was kinda epic and I still get people asking me now if I was the "Maid Dress Guy".

10.	13:20:14	00:19:17	#75. "so back in 2015-2016 i was in my edgy phase (pre being openly trans) and would watch content creators such as steven crowder, iconoclast, and mgtow content, and the cum shrine that i had for steven crowder was in my old apartment in valmiera and despite me thinking it was degen as shit i thought it was funny and kept it going up untill the day i left, and i revisited the area recently (2020 march 13th my bday) and i took a stroll around my old place enjoying and getting nostalgic since i had lived there like 3 years and then i remembered about the shrine and was morbidly curios if anyone had found it, so i went to my old apartment and went inside, nobody questioned it and they still had the same password at the entrance 12345 lol and i just walked right on in and i knew it was in the backroom with the electricity things (idk what theyre called i never really touched them lol) and to my unpleasant surprise it was still fucking there it had sprung up to some degree and had like little mushrooms/mushroomey things growing from it and the picture of steven with his shirt off was like half melted/drowned in baby batter <///3 and i just feel so weird having to remember likely nobody will ever remove it and if they do some poor person will have to deal with it (im obviosly not removing it itll be so sus if i walked out of an apartment i dont live in with that gross ass thing) that and the room itself wasnt pleasent (it smelled awfull and i had to take a shower after having entered the room)"	2620	
11.	13:27:04	00:26:07	#250 actual. "Ive broken into every single house on my street. The owners were at home as well. I would go inside and sneak around the house just to look around. I would never steal anything. I just thought it was interesting to look at other peoples lives. Nobody knows I do this.	2530	
12.	13:29:27	00:28:30	Read #254 actual.	2570	
13.	13:30:02	00:29:04	#195. Boring one. #197. "Hey Rose I know you're going to read this one on stream so enjoy!  The depths of my innocence as a child greatly amuse me now. In elementary school we had to do a report on laws and I did mine about dumb laws. I proudly reported on how it is illegal in Texas to own a realistic dildo. I had no idea what a dildo was but I thought it was dumb. Why can you own one but just not a realistic one? So I included it in the list of dumb laws I had compiled.  We had to read our reports in front of the class. When I got to that particular law the whole class burst out laughing and the teacher had to pull me outside and tell me dildo was a naughty word and I shouldn't use it or say it again.  I forget how old I was maybe fifth or sixth grade but yeah everyone else knew what a dildo was but me apparently."	2560
