Notes:

This stream continues Finn's hot streak despite a 4 day break, and is arguably his most impressive despite only being 5th in Avg Viewers. This is as #1 is heavily weighted by raids and #2 was Finn's MC Championship debut. Additionally, this now becomes the highest average viewed stream over 4 hours long, breaking the Wedding Dress stream in April 2021.

Finn also continues to benefit greatly from dramas elsewhere as with the exception of NY stream, he has broken 4k average viewers in every 2023 stream. Before mid December this would only happen 10 other times, 1 being anomalous and 1 being MC Championship.

This puts Finn's average viewer total at 4,131 for the year, or 4,337 excluding NY stream.
