Notes:

I really don't wanna talk about these numbers as they are the lowest I have ever seen while doing these stats. If Finn reads these, I wouldn't be concerned if I were you, as you say, the cycle of new people coming in and old people leaving will continue. I will point out a positive though, and that is Finn's retention stats are very good for this stream, he ended the stream with 3.4k viewers, so maybe streaming a bit later on weekdays is the move much to the annoyance of Europeans?
